### The Premises:

As described in numerous other reviews.

### The Lady:

Attractive Brit from up north with features that suggest a predominant celtic ancestry rather than anglo-saxon or norse, reportedly 30 something in age, long brunette hair, shorter than average in height, medium build with curvy physique, medium sized breasts with amazing nipples as her current profile pictures will confirm, definitely MILF material oozing the sort of appeal that has sober men trying their luck at social gatherings with attempts increasing exponentially in relation to the quantity of alcohol consumed.

### The Story:

Grace walked into the room within a couple of minutes of my arrival which always goes down well with me carrying the glass of water I'd asked for earlier. I don't normally undress until after the maid has brought this in to spare any blushes so there was time for a minute or two of chit chat with her watching me intently as I stripped which I found quite a turn-on.

Although I was able to sense exactly how the session was going to shape up, I still asked whether she'd provide me with a gfe just in case the gods and saints who've watched over my punting activities so reliably for over 30 years were having another off day. Her face lit up as she gave an enthusiastic sounding yes in response. It is irrelevant whether or not she meant it in the way it came across; the fact that she was prepared to go the extra mile to say it in the way she did is one of the little things which define an excellent provider and sets them apart from an average one.

The action started with dfk with her seemingly as enthusiastic and passionate as I and this lasted some time as I was enjoying it so much. She then moved onto demonstrating an excellent owo technique which included the scrotum as well as the shaft which is something else I enjoy. Most of our time together was taken up moving between dfk and owo apart from a minute or two of ro culminating with her saying she was coming and her body displaying the physical indications to back this up. The intensity of our interaction saw me extremely fired up and rock solid Grace walked into the room within a couple of minutes of my arrival which always goes down well with me carrying

the glass of water I'd asked for earlier. I don't normally undress until after the maid has brought this in to spare any blushes so there was time for a minute or two of chit chat with her watching me intently which I found quite a turn-on.

I'll heartily recommend Grace to anyone looking for a high octane sort of punt.
