### The Premises:

Discrete, clean basement flat in Victoria, central London.

### The Lady:

Morgan is a polite beautiful working lady who matches her fantastic pictures in her profile. She has a great figure with great boobs to match. She has long brunette hair. She is 100% what I would say is a great British babe.

### The Story:

I arrived for my appointment about 5 minutes early I was asked to wait in a small room where the washing is done. I waited for about 10 minutes and was getting a little anxious that this would impact on my session. I was then showed the way to the bedroom by the maid who was polite and offered me a drink. I asked for water and she kindly got this for me.

After another 5 minutes Morgan came into the bedroom looking beautiful. She was wearing a black petticoat style of dress with a leopard print bra. I have always had a taste for women wearing leopard print underwear so this immediately got me going. She came and gave me a hug and kiss and apologised for the delay. She assured me that I would still have the full 45 minutes. We then had a little chat and spoke about the previous time I saw her which was about 4 months ago. I find talking to her so easy as I feel there is a good vibe with her. She reminds me of the kind of girls I went to school with or just the girls I dated, she makes me feel young. After some talk I offered to hand her the fee. She is so down to earth that she doesn't put pressure on to take the money, but of course be a customer I happily settled payment. It was just another example of her professionalism.

We laid on the bed and started with some kissing and cuddling which then progressed to her giving me oral. She then removed her underwear to reveal her great naked body. After some further oral she gave me a great tit wank. Morgan gives the best tit wanks. It wasn't long before I shot my load over her chest.

I then gave her a short massage so I could make a quick recovery. In the interim we talked about threesomes and I told her that like a lot of men I fantasise about having two women at once. We laughed and she explained that she often works with another girl called Frankie. I told her I would

have to arrange another time where I can see them both.

We then moved onto having a lovely shag where it wasn't long before I was ready to explode again.

After another nice chat where we lay together I could see my time was nearly up. I got up and started to get dressed. I explained to her that I was off work today and was wearing my work clothes, how bad of me not to make a full effort. She laughed and said well as long as you feel comfortable.

All in all I had a great 45 minutes which I wish I could have spent longer. Well maybe I will have to see Morgan again alongside her friend Frankie and have a great session with the both of them.
