The Premises:

Easy to find and access apartment in Knightsbridge. Small but very cozy, warm and clean with a good shower. She really looks after the place. It's on a quiet street.

The Lady:

Anna is a Russian, but she speaks good English. Looks just like her pictures. Natural body and no too skinny. Really nicely proportioned. She is clearly in her late twenties or early thirties, but looks very good – seriously hot! The pictures are obviously studio quality and enhanced to a certain extent, but she is definitely the same woman. Very friendly, confident and talented. Recommended

The Story:

Anna was wearing matching black panties and bra and a suspender belt. Over that she was wearing a sheer white, flimsy gown. She looked lovely. Had on some tasteful makeup too and her hair was king of half up and half down, tied back on either side. It was very clear she had made a big effort to look good, and this was very much appreciated. She was very chatty and confessed to being a little nervous too, which I found very endearing. She told me she had been out literally all night and was worried she might look a little tired for our date. This was certainly not the case.

Being with Anna felt very natural indeed, like a girlfriend, only much better of course! We started to kiss automatically and she kisses very passionately. After this initial coming together, so to speak, everything else that followed seemed to flow so very naturally.

On the bed we kissed and caressed each other more before she took me in her mouth. Nice OWO with lots of eye contact and attention all over, especially around my balls. She is very talented. I would have finished up here if I knew I had it in me for two goes, but I knew I wouldn't! Moved onto cowgirl to get a good handful of her boobs, and moved around into doggy from there. She arches her back lovely in this position and kissed me hard over her shoulder whilst we screwed. Went in for some missionary with her moaning in my ear and ended up with some more of that lovely OWO because I get very tired. Her technique was excellent again and she finished me off by jerking me off over her lovely tits!

A great girl!
