Easy to find place about 5 minutes walk from Victoria station. The apartment is of the usual high standard from House of Divine. I had a shower and was offered a drink by the maid.

The Lady:

Michelle is a stunning dark haired girl with a lovely bubbly personality. She has beautiful pert breasts with really sensitive nipples. a nicely trimmed pussy and a fantastic bum. Really nice smooth skin. too.

The Story:

I had been waiting to see Michelle for ages but she has never been in London when I have been. Luckily, I saw on the rota that she was due to make a rare appearance in Victoria so I booked her on Monday for Saturday's appointment for fear of missing her. She came through the door and greeted me with a kiss and the money was then sorted out. I lay on the bed and she asked me what I would like. Before I had the chance to answer, she had my balls in her mouth! I liked that, of course! I said I have read so much about her legendary deep throat, which made her laugh, and then she began to give me the most gorgeous OWO you could imagine. And yes, her deep throat is as good as all the other reviewers have said. I would say it's the best blow job that I have received from the House of Divine girls, and most of the other girls have given incredible ones. Michelle just took it to another level. I could have stayed there for the rest of the time but I really wanted to give her some oral too so I asked if we could 69 and she said yes. This was lovely too and Michelle have me deep throat while pinching my nipples, which was a real turn on. As we finished the 69 position, I asked Michelle to kiss my cock, which he did. Onto sex and we had some rally nice slow sex in the missionary position. After a few minutes of that, Michelle rods my rock and I would have to say that cowgirl is her speciality. After her deep throat, that is! Sensing that time was running out and I needed to cum, I stood up and asked Michelle where I could cum and she asked me where I would like to. I said in her mouth and she said yes. And it felt amazing cumming into her mouth. After we both cleaned up, we had a nice chat and then it was out onto the streets of Victoria where I was smiling to myself and feeling all's well in the world.

I would say my half hour with Michelle was as perfect as could be and I can't wait to see her again.

She was so friendly and fun and made me feel like I had known her for ages. The closest experience I could compare this to another House of Divine girl was Pixie, who I saw a few years ago. Michelle is a House of Divine legend and if you're reading this, Michelle, thanks for a wonderful half hour, my nipples still hurt and please come to London to work more often!
