The Premises:

Modern, private, clean apartment a short walk from Sainburys area

The Lady:

A perfect teen goddess, 19, very slim, tiny bum and beautiful, pert breasts.

She greeted me in a nice black bra and thong set that left very little to the imagination.

The Story:

Had intended to see Taylor but a mix up in times meant I could see Paris in another location. From the website, they are very different women and I look forward to seeing Taylor's soon.

Anyway, Paris and I stripped and I lay in the bed. She lay beside me and began to stroke my cock and balls while I played with her beautiful, smooth pert tits. It wasn't long before my cock was hard and Paris gave me quite a sensual wipe before taking me in her mouth. What followed was a slow, sensual suck and lick. This was a great, sensitive blowjob- Paris's inexperience is an asset.

Then should put a condom on me and lubed up - I love seeing a girl do this. She mounted me slowly and gently rode me. With such a small and young woman, it felt tight and warm - wow.

Then I went on top and gently fucked her - she played with my balls as we fucked and as she moaned and stroked my back, I knew I was going to cum and my pace increased. This was an incredible fuck - I rarely cum from tucking so it says a lot about Paris that I did.
