The Story:

Effy was dressed in a long dark body suit, which she rapidly removed. She is absolutely gorgeous, light hearted and fun to be with. She gave me a little massage, then I returned the compliment with oral, which she seemed to enjoy. I fingered her for some time, and I noticed ripples of pleasure coursing through her body, she joined in with the stimulation at one point. I like to think she had an orgasm, but she didn't say. I have a few medical problems which she coped with patiently and brought me to a high point riding on top. We chatted about her dancing, It seems she has a few bookings, but needs to work extra to survive. I left in a good mood. ,
