### The Premises:

Very nice basement flat close to Earls Court tube station. Easy to find and very clean, tidy and smart inside. A nice well stocked shower room and a large airy bedroom.

### The Lady:

Very pretty and with a great slim sexy figure. Pictures on the website are accurate, but she is taller than she looks in her pics. The website makes her look petite, but she is in fact tall and athletic. Nice medium sized boobs.

### The Story:

In a word: mind-blowing.

Charlie was very welcoming, friendly and chatty from the word go and I immediately felt like I was in the company of an old friend. But once we got into the bedroom her performance was nothing short of amazing. The next hour wasn't exactly a PSE. It was more like having an absolutely filthy nymphomaniac of a girlfriend.

Lots of deep french kissing preceded probably the best and sloppiest blow job I've ever had. Kneeling in front of me, and then moving me onto the bed, she gagged on my cock, spat on it, covered it in saliva and sucked on it and my balls for all she was worth. She then proceeded to push me onto my back, lift up my legs and gave my arsehole a good rimming. This was a new experience for me but one I aim to repeat as often as possible. Absolutely mind-blowing.

The rest of the hour was a bit of a blur, with rimming both ways, me eating her pussy and some very energetic fucking in a variety of positions. At one point I happened to mention that she looks a bit like my boss's PA, who I spend my days lusting after, so she obliged with a little office-based roleplay where I got to live out my fantasy of fucking the PA on my boss's desk. Great fun.

She also suggested using some toys at one point and brought out a big double-ended dildo which she suggested inserting into her pussy and my arse, but my courage failed me. Maybe next time.

All of this was accompanied by some great chat, a few nice complements about the size of my

cock, and a few anecdotes from her about the lesbian threesome she recently had in the very bed we were sharing.

This really was a very good punt. My best in ages and I will definitely be back
