The Premises:

HOD 1, the least popular of the Houses I would say not because it's unpleasant, it's not at all and the maid is absolutely wonderful (young blonde lady), it's just a pain in the a** to get to compared to the other two houses.

The Lady:

For Frankie I'll put what I have put in my previous review as this best encapsulates her; Frankie is a young (20s) rather tall lady and towered over me in heels but once they were off she almost match my height. Long brunette hair, wonderful soft, pale skin, a few tattoos and curves in all the right places! Frankie has a wonderful pair of breasts with sublime nipples. Lovely peachy bum and of course a perfect (shaved) pussy.

Her personality is also incredible, she is incredibly down to earth, enthusiastic and full of life! Very confident, though at times she seemed to be a bit self-deprecating which I don't really get as every inch of her is perfect. She's not some razor-thin ice queen, oh no! she is a real woman with curves that I imagine most women would envy and most men would love. Her photos don't do her justice and of course they can't convey her awesome personality!

For Morgan; Also a wonderful lady. Like Frankie down to earth and eager to please. A bit shorter than Frankie though around the same age (they could both easily pass for early twenties in my opinion) and with bigger breasts (they have to be seen to be believed and she even joked that she could suffocate me with them and I believe her! Wonderful soft, pale skin, wonderful suckable nipples and again curves in all the right places. Lovely tight, shaved pussy and a wonderful personality. Like Frankie, she's no razor thin ice queen, she's a real woman who is soft, gentle and eager to please. She makes a fantastic contrast to Frankie's more aggressive, 'forward' approach to sex. (That's not a criticism of either of them by the way just Frankie may be a bit too much to handle for less experienced punters, I believe she could literally shag a man to death if she wanted too though he'd have a smile on his face whilst she did it!) Her and Frankie could be mistaken for sisters and they said that they have been asked if they were before (Would be pretty odd for sisters to be playing together as they did).

Both the ladies have some tattoos but all are tasteful and both these girls are works of art in

themselves.

They both have amazing banter together, they're clearly good friends and happily interact with one another, joking a lot of the time too which was a major plus for me as sex shouldn't be taken too seriously, especially when punting and being with two women who are not only incredibly beautiful and skilled in the sack but also full of life and eager to please with a good sense of humour made this the most fun I've had so far with a woman (women).

Overall they are a perfect pair and complement each other perfectly. You really owe it to yourself to experience these two together if you have time and money (and the ability to handle such a high amount of beauty and personality in one sitting!)

The Story:

I won't go into huge detail but the experience was incredible to say the least.

My first threesome so wasn't sure what to expect but the girls came into the room with Frankie loudly and very happily exclaiming; "oh! It's you!" upon seeing me and thanking me deeply for the nice review I left her when I first saw her (You're more than Welcome Frankie, I meant every word and it's only thanks to you that I have not left HOD permanently after a terrible punt before meeting you). I was also of course greeted by Morgan with much deep (and I mean DEEP) FK from the pair of them. The next hour was a blur with me trying desperately to not finish prematurely within the first 5 minutes, easier said than done with two of the most beautiful women on earth both going at you!

I feel like Frankie got the better of me being far more forward but this is not to say Morgan wasn't eager to please, she most certainly was but it's nice to have two girls who get along perfectly and aren't just clones of one another.

Proceedings ended with Frankie deciding I should 'facial' the both of them which resulted in a hilarious scene of my 'conclusion' being far most forceful and voluminous than any of us anticipated, with Frankie desperately trying to stem the flow with her hands.

I can't recommend the pair highly enough and to the management I would ask that you put these two together in either HOD 2 or 3 as they're far better locations where these girls will get more work (and they certainly deserve it).

Overall, this was an incredible punt and a fantastic first threeway. It's rare to meet a pair of ladies who are not only this beautiful but also with such incredible personalities. I would love to have friends like these two. Being able to chat with them is just as good as the sex. Hopefully Frankie and Morgan read this as I really want to say to them; Thank you for being yourselves. Please never change, you're both perfect as you are and are both 11/10 in my view ;). Xx
