### The Premises:

Easy to find and free parking at the back. Very discreet location, clean comfortable rooms. Was allocated to the top floor, and noted it was quite warm with three heaters on, other than that it was fine. Was offered a drink on arrival.

### The Lady:

Gia's very smiley and chirpy when she arrived into the room. Greeted with a warm embrace. Easy to chat to, and she noted that I felt quite tense and nervous, but that was soon to change. Lovely slim figure, having said that she used pole dance in the past.

### The Story:

Gia is very charming and gentle. Felt that she has a confident demeanour about her that comes across very sexy. She said that she can be very submissive and dominant. I just let her take control and see how the pace goes. Everything on her profile was on offer, DFK, OWO.

About half way through our 45 minute session, I had a feeling that I wasn't going to be able to make it, so asked if we could extend it by another 30 minutes; hence £150. She quickly left the room and confirmed that it was ok. And oh boy I wasn't wrong in making that decision. Did it in numerous positions, missionary, doggie, cowgirl, reverse cowgirl. She tasted divine and has a bit of fur.

Things really heated up just beyond the halfway mark, so Gia ended up tying both my arms on the bed rails, then had her way with me straddling away. Something I have never done before. She's one hell of a pocket rocket.

She ended the session with oral and handjob over her lovely firm perky breasts.

I am glad I have survived a spontaneous session with Gia.
