gfe ,very clean and professional. Always hot ladies, well organised with easy parking. Was here to see Darcie and make sure she was up for seeing my partner. We have been before, but she wants to visit and see a hot young girl on her own next time, while I wait in reception.

The Lady:

Darcie is as her pics on the web site. GORGEOUS!! In my opinion, very much like Sarah Hyland from Modern Family. Long, jet black hair, slim, tanned and smoking hot. She was wearing a black lace number today

The Story:

Sorted out the paperwork and showered. I had decided what I wanted as I know what my partner wants when she comes for her visit. Darcie was sure she would be able to satisfy my lady. We started with kissing and fondling, touching tongues and she grabbed my cock while I tweaked her HARD nipples. Her boobs are gorgeous and perky- a lovely shape and size. Then she gave me a great, sloppy BJ, deep throat with loads of spit. Up she came and gave my nipples attention, licking, biting and spitting in my mouth, all the while rubbing my cock. Then I had her on all fours, spread her wet pussy open and ate her stunning pink pussy. Her pussy and arse smelt of sex and I had a good sniff of her girly aroma. She enjoyed my tongue deep in her anus, really enjoyed eating both her holes and sucking her clit. Plenty of sloppy oral both ways, 69, and kissing between position changes. Finished with Darcie pissing into my mouth, lovely golden, salty stream into my mouth. Then 69, eating her pissy fanny while I shot my load into the condom. A really hot, wet half hour with all my partner could want. Will return to treat her to the delights of Darcie ASAP
