The Premises:

Modern apartment in central Milton Keynes. Plenty parking spaces in nearby premium car park.

The Lady:

Sophia is a very gorgeous young girl, pale and smooth skin, and beautiful curved body. Sophia is chatty and full of smile.

The Story:

When I entered her place, I was greeted by Sophia with smile. She took me to the room and asked me whether I wanted a drink. I requested a glass of water. After a couple of minutes, Sophia entered the room with a glass of water. After sorting out the paper work, we went into business straight away. Sophia has got very pretty face, curved body at right places. We started kissing and hugging, followed by all sort of actions, which I will leave for your imagination. In summary, Sophia is very open minded and has a good personality, so that the encounter was very good and memorable. Thank you Sophia and I will certainly see you again soon.
