### The Story:

Serena entered the room & I thought wow, she's tall.

We started by kissing & then removed my boxer & her one piece. She used her hands to get me hard & as my visits go, I cum quick, In missionary at the start.

With the main event done & not needing too worry to much about another erection, I began to enjoy her boobs & body.

I liked her approach on top, it being her big boobs or her actually coming in close, saving me from lifting my neck & getting a neck pain, I got in there.

Great size & real soft mass on that slim body. Compared to my last visit Serena gave owo which I liked as I enjoyed touching her boob.

I wasn't hopeful I be getting a 2nd erection but Serena was willing & I liked that compared to my last visit in Feb.

I wanted to enjoy her boobs as sex was a long shot as I don't have sex as often as I would like.

Anyway lots more kissing, boobs enjoyment etc.

Having my past visit just me laying, today I decided to stand near the end & do more kissing & Serena rubbing my penis for an erection. Another thing I liked about her, willingness to do.

Got her to sit on the bed as I kneeled & enjoyed more boobs kissing & viewing her vagina. Sadly time ran out.

Overall a better visit & fun time. I would say the lotion she had on was heavy & as I was kissing her boobs & body I could taste the lotion, which I'm guessing shouldn't be ingested & my lips showed as i washed the taste in the toilet before I left.

Got to see Jamiee aswell which was a plus & must say I like her. Good boobs & attractive face.
