### The Premises:

GFE Massage on the outskirts of Sheffield, plenty of parking & feels very safe. Nice clean establishment, friendly receptionist, clean room, good shower: can't fault the place at all.

### The Lady:

As per her profile page on the website, great body, slimmer than her profile pictures, amazing boobs, great ass, pretty face.

### The Story:

Booked appointment just in case she was busy when I arrived, nice friendly receptionist, Elise was ready when I arrived & up we went to her room. Good shower, clean room. Short massage but we both knew it was t really required but really friendly lady, great chat & soon kissing, which she told me she loved doing. Great for me as I think the same but my one previous experience here with a different girl was completely the opposite: a non-kissing GFE experience doesn't do it for me, but Elise was a fabulous kisser and kissed passionately all through our time together. Her oral was just great, every box ticked; eye contact, deep throat, balls, zero complaints from me. 69 for a bit then I licked and fingered her, and she really encouraged me for more fingers, deeper, and harder..very horny. Back to more kissing them doggy which she told me was her favourite, then missionary with more kissing, and finally more sucking until I wanked off into her mouth and I never saw a drop again. I'm fairly new to this but absolutely my best punt yet, such a nice lady, so enthusiastic to please me, a completely great half-hour with zero downsides. I'll definitely see her again when I get chance. A fabulous time and in my opinion worth more than she charges.
