The Premises:

Very discreet, clean and welcoming

The Lady:

She was much more down-to-earth than in the website photos, which I felt were over-glamourised. This was quite a pleasant surprise. She is a little chubbier now than in the photos, but no less attractive for it. 5'5" maybe in her heels :-)

She is a smoker though, so kissing not as memorable as it might have been

The Story:

It was lovely. She was happy for me to explore her body, and for me to pleasure her. We had great sex, and afterwards I caressed her gently, which she appreciated. She definitely does do GFE, and those 45 mins in her company were precious
