The Premises:

A very neat, tidy and safe apartment in a residential area not far out of the central town area.

The Lady:

Charlotte has a voluptuous figure that is lovely to stroke and hold and massage and kiss. Her face looks no older than when I first saw 7 or 8 years ago and it is attractive, expressive and quick to break into a naughty laugh.

The Story:

Good communication led me to Charlotte's apartment and I felt very safe going in/out and it was in fine condition.

Having first seen Charlotte several years ago, we were immediately at ease with each - as in fact we were the first time we met.

Shower available and then easy chat soon gave way to hugs and kisses and wandering hands.

We then had a great time enjoying each other's body with both of us vocal in showing our pleasure and both reaching satisfying endings.

This is what escorting should be like.
