The Premises:

A familiar place in Paddington, easy to access, safe and secure. The apartment was lovely inside, and I'm sure I've been there before. Sliding door between two rooms was a little unnerving because it was slightly open. No-one else in apartment though I don't think. Comfortable and spacious enough.

The Lady:

Brielle is the girl in the pictures. Very pretty, young (I'd say around the 20 year old mark or so), much better than her pictures. Speaks good English, very nice body. Polite and affectionate.

The Story:

She was recommended to me by Angels and I'm glad they did. They don't often get it wrong and they know me well enough by now thankfully. Brielle was everything they said she was. Nice DFKing to begin with and a sexy little dance in front of me whilst I was sitting on the edge of the bed. She got out of the tiny little thong and bra quite quickly and rubbed herself against me. She's a very confident young woman who is clearly very sexual.

Didn't take her long to drop to her knees and take the old chap into her mouth. She gives great OWO and tries really hard to get it all in like it was some kind of contest. Had I not have had a full couple of days seeing working girls I would have been much more energetic, but she was the last one before I headed home and I let her do her thing. Which was very good indeed.

Moved onto the bed for some cowgirl action whilst I sucked on her pert tits. They are very responsive and this really got her going, along with me grabbing her arse and giving it a little smack as I squeezed it. Moved into missionary for a while and then into a wonderful doggy where I got my energy back. Seeing her bending over for me and that cute and tight pussy looking at me was enough to spur me on. She's really good in this position. I loved banging away hard and pulling her onto me. She's quite a slight young girl and this was easy to do. Wasn't long before I was ready to pop, and I was loving this so much and grabbing her around the waist that I opted to do it inside her rather than pull out and cum on her body or in her mouth as I usually like to. We both collapsed on the bed.

Nice little chat before cleaning up and leaving. Overall a very welcome punt, for the money she is an excellent choice guys!
