### The Premises:

Looks like an office block from the outside, but is clean and welcoming inside.

### The Lady:

Grace is as her photos suggest. She has a pierced nipple and is charming and delightful to be with.

### The Story:

Grace was in a bit of a tizzy when I arrived, working with one of the EE girls who didn't speak English.

That said, a few moments tucked away discreetly and we're down to business. Grace offered me some water and we chatted briefly while we undressed.

Very quickly, the clothes were on the floor and I was invited onto the bed. She commented on length and girth and said she was very much looking forward to putting me to work!

Starting with OWO, she wasted no time, and really got the pulses running. Grace can deep throat quite a bit, and I'm happy to say she managed all of me, causing me to grip the bed tightly so as not to blow my load too early.

I needed to calm down, so she bagged me and slid down on my length gently before riding me.

Grace is a noisy Yorkshire lass and didn't hold back with the moaning. I'm pretty sure she came before asking me to take her from behind. Only too happy to oblige, I went to town and she didn't hold back with the moaning and dirty talk.

Finishing in missionary is my preference, so I flipped her over, and really went to town, making her cum again, before pulling out and giving her a lovely facial while she played with herself on the floor.

Overall, I'm not sure how we crammed that into half an hour, but still had time for a quick chat and clean up.

Definitely recommend Grace, she's lovely and really knows what she is doing.
