The Premises:

Ego Massage is located in the Old Coach House. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet. There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House. The Old Coach House is comfortable and clean. The showers are operated by a push button and deliver a fixed volume of water, if you need more water you have to push the button again. Unfortunately there is no temperature control. When it is a hot day the showers are too hot.

The Lady:

Layla has been photoshopped. What you see in the gallery is not what you get. Her derriere is bigger and her thighs heavier than the photos indicate. Of the 13 girls I have seen at Ego, Layla is the first one to ask for payment up front before we started.

The Story:

The massage was okay but not special. Her 'reach under' technique is quite good. After I had turned over she allowed some intimate fondling. She has a pleasant personality but overall the session was a disappointment, it did not live up to Essexboy70's experience and she doesn't look as good as her photos. I have had better experiences with other girls at Ego, therefore I will not book her again and cannot recommend her.
