### The Premises:

Usual Fenny Stratford house

### The Lady:

Petite lady as per photographs. If you search you can find videos of her in action. Very small breasts but that's part of the package and really fit in well with some of her role plays

### The Story:

First visit. Having done some digging I had already seen some of her videos so came prepared. I requested the schoolgirl outfit since that seems a popular choice in the reviews. She came in the room and asked whether I wanted role play and how it should go. I agreed - although I am usually a standard GFE sort of guy usually. She went out and came back into the room in character. She is obviously very happy in role plays and does it well. She had a continuing banter, for example about her 'tiny teen titties' and 'tiny teen pussy'. All in all good fun. Deep throat was great, sex was good. She is very friendly and does talk a lot, including suggestions for next time and her life in the porn industry and holidays and ..... All in all a very enjoyable session
