The Premises:

MKE's well established location in Bletchley. Discrete entrance from the large free car park right outside. We used the large ground floor room which was nice and cool on a hot day.

The Lady:

It was Melody's first day, and only one photo on the webiste so I took a bit of a gamble. I needn't have worried, she was everything I could have asked for: tall, slim, toned, pretty, gorgeous little bottom and perfect, perky little breasts. I'm guessing mid-twenties, 5'4" and about 32B, but my mind was elsewhere at the time. The photo is good but it doesn't capture how slender Melody really is.

The Story:

This was a last minute booking and as usual the agency were very helpful. I had a choice of three girls, including the super-cute Renee, but decided to take a chance and see Melody on her first day, which proved to be a great decision.

Melody is a lovely young lady. Not only is she slim and pretty, she is also attentive, responsive and eager to please. We did lots of things in our brief time together but listing them here would make it sound mechanical, it was anything but. We just progressed from one thing to another, sometimes at her choosing, sometimes at mine, all coming to a very satisfying conclusion. Refreshingly Melody pointed out that we still had time left and set about relaxing me all over again.

This certainly wasn't a PSE, nor was it the well-practiced GFE of an experienced service provider, it was more like being with the pretty girl you pulled an hour earlier, having fun exploring each other's bodies to find out what they like. Altogether an exciting and very satisfying experience which I can't wait to repeat, thank you young lady!

Guys, treat this young lady well and you will be rewarded.
