The Premises:

Neighbourhood - a quiet street in the West Brompton area.

Parking situation - don't know, I used public transport - only a short walk from the tube station!

Apartment - very clean and modern and stylish.

Shower - a fairly small shower booth, but it does the job, and it was in good condition - no mould or peeling wallpaper/plaster or anything.

The Lady:

Height - medium

Size - skinny

Ethnicity - Russian

Age - Young-looking, probably early twenties, I didn't ask for specifics.

Appearance - Just like her photos, if not better! Long legs, big kissable lips

Bust - enhanced, large but not too large, perky but not too perky or fake, just amazing!

Personality - energetic, enthusiastic, bubbly, cheerful, giggly, friendly, chatty. Simply wonderful!

Language - her English is quite limited, but she gets by with a translation app. Not sure how accurate it is, but we managed!

The Story:

Decabrina was very welcoming. I had a quick shower and then she welcomed me back into her bedroom. She was very giggly and bubbly and put me at ease straight away with her relaxed, open and happy demeanour.

Then we started kissing passionately, open-mouthed with a hint of tongue, which is more than you get from most providers! Then she moved down, caressing and kissing my body the whole time, until she started giving me fantastic oral.

From there, we soon moved onto FS which was pretty spectacular! We started in missionary, and she started to moan, but not too loud or fake such as to put me off. I felt so relaxed and

unpressured by her, more than with any other escort I've ever been with, that for the first time in my life I felt comfortable enough to grab her by the legs or waist and drag her and reposition her around the bed a few times. She was so light and amenable I even picked her up and fucked her against the wall for a while, which is not as fun in practice as it looks like in films, but the fact that I even attempted that is a sign of how comfortable she made me feel! We finished in doggy style. All in all, an incredibly satisfying experience. We continued to chat afterwards, she gives you her full attention, absolutely no clock-watching. I usually prefer a GFE to PSE, but I have to say that Decabrina is a wonderful blend of both.
