The Premises:

Neighbourhood - a slightly busy street near Baker Street

Parking - had to park a few streets away, and that was only possible since it was New Year's Eve. Otherwise I would have got the tube to Baker Street and walked for 5-10 minutes.

Apartment - reasonably nice apartment, very large bedroom which can be rare. A nice, private, en suite shower room attached to the large bedroom.

The Lady:

Height - Very short, maybe 4ft11. I don't normally go for short women, but she was so beautiful I didn't mind!

Size - petite, skinny.

Ethnicity - self-declared gypsy.

Age - Very young, early twenties, if not 19. In fact, I asked and he answer was 19. So young! Too young!

Photos - genuine.

Bust - enhanced, large but not too large, simply stunning.

Appearance - very beautiful, intoxicating. Strong cheekbones, luscious (fake) lips.

Personality - quite a strong, whimsical, entertaining, charming, forceful and dominant personality. Which is no bad thing as I am quite quiet. But I should have seen the warning signs... (see below)

The Story:

Where to start...

Well, it all started off so well. I only booked her for an hour, but she wanted to party and kept asking me to extend, and since it was New Year's Eve I thought I would go along with it. We partied, we drank, we danced, she let me caress her body, all good. But after the second or third hour, her attitude changed. I'm pretty sure I didn't say anything to upset her. It was just a mismatch - I had only intended to stay an hour, she wanted me to stay overnight... She wouldn't meet me in the middle. Suddenly there were excuses everytime I wanted to get things started... she kept pinning everything on "the next hour" and I wanted to believe her, so I kept extending, but eventually I wised up. Four hours and not one orgasm, how stupid am I?!

Worse than that, I even decided to give her the benefit of the doubt and went back a month later without booking through the agency, hoping that she had simply had a bad day or something and that things would be different next time round. After all, on my first visit, I had really enjoyed the dancing and partying at the beginning, and she was very charming and pleasant to talk to. And she kept turning down other bookings in favour of having me extend, which made me feel flattered - I thought she liked me! But on my second visit she dispensed with the pleasant facade, and did not touch me the whole time! She fobbed me off with a small bedroom upstairs, kept asking for more money even though she offered nothing in return, and insisted that paying her rent was MY responsibility!!! I had to argue my case just to use the shower! I was so angry, but there was nothing I could do.

Anyway, I don't understand how this girl is still in business if this is how she treats all her clients! A con-artist or an over-entitled, capricious silly little girl? - I'm not sure. But book at your own risk!!!
