The Story:

after gaining access to the main door by ringing her apartment number thru intercom, she greeted me with a smile and was very pleasing to talk too, decent english, nice blond hair, slightly on the plump side, but was good, we started by getting naked and cuddling in bed with light kisses to the lip, no tongue/french kissing. she allowed me to suck her boobs which was good as she liked it as well, then I asked her for 69. she gave me a covered bj. and was good, I ate her pussy which was nice. then i proceeded to fuck her she was on top of me, cow girl style, was good as she was bouncing off my dick holding hands in hands for support. sex was quick but good, liked the intimacy value and then i cleaned myself up and left, overall rating 7.9/10
