The Story:

experience was not great, she didn't allow anything but quick sex, was only allowed to touch boobs, no kissing or sucking of any body parts, no 69, i wasn't pleased but just wanted to fuck and be done, she gave oral with condom which was ok, managed to get me stiff and i began to pound her doggy style, did a quick job and left. overall very quick and mechanical, not worth a second visit, overall rating 1/10
