The Lady:

Tall, blonde, with a fantastic figure. Sarah was happy, laughing and wonderful company. When I had seen her in previously, Sarah had red hair but blonde also suits her well.

The Story:

I had seen Sarah three times before, with the last time four years ago. The long interval provided the potential for me to be disappointed but I had no need to worry. Sarah appeared to have aged negatively, which she ascribed to being a vampire. Her figure continues to defy gravity. I have always preferred girls with strong personality and Sarah certainly fits the bill. Intelligent and articulate, as well as with knockout looks, Sarah is right up my street.

Because she remembered me, Sarah immediately suggested a tie and tease, which is a speciality of hers. "I love edging" said she and it certainly showed. I was on the brink for over an hour before Sarah let me explode, with Sarah clearly enjoying my predicament - also using me as a foil for her own enjoyment.

This is what punting should be about: fun from every possible point of view.
