The Premises:

Parlour on Kettering Road. Very public. Comfortable enough but that said not as nice as the other Northampton parlours though that's not a problem. It's ok.

The Lady:

Fairly petite (i.e. short), dark hair, slim (but not gym fit). To be honest pics on website are a likeness but they are heavily photoshopped and tbh I was disappointed when she came into the room. Stupidly, I'd pre-booked based on the web photos and felt I couldn't back out.

The Story:

Difficult one. Lacey delivered a decent service, engaged, worked hard, did what it said on the tin well and it's impossible to really have any complaints. The problem is, the web photos were so heavily photoshopped that the disappointment when I saw the real thing left me unable to recover my enthusiasm for the punt (parlours note: photoshopping may get customers in the door but the long term impact is negative.) Basically, decent service from someone I simply didn't fancy. I'm giving it a neutral because "not recommended" would be totally unfair but "recommended" wouldn't be true to my experience. My guess is that she's a very good punt if you click with her but I didn't. Nevertheless, I can't knock her service.
