The Premises:

A modern first floor flat in a new complex at Woolwich Arsenal. The entry was very discreet and the room was very clean.

The Lady:

A petite, Romanian girl with full C/D cup breasts and large areolas. She also had a lovely little bum.

The Story:

There are usually 3 or 4 girls at this address. I chose Hannah because of her boobs. The session was very standard, sex in missionary position. I was a bit on the large size for Hannah so I decided on a hand job to finish. This gave me a good opportunity to fondle her ample breasts.
