The Premises:

The place is a few minutes walk from Pimlico tube station and very discreet. Sadly closing there next week which is a shame as I really liked it there.

The Lady:

Belle is a tall East European attractive woman with lovely dark eyes and slim figure. She has nice petite breasts and a shaved pussy. Very friendly and is in her early to mid twenties. Speaks perfect English.

The Story:

Belle arrived in the room at exactly 4 o'clock and greeted me with a kiss. Once the money was handed over, she gave me a nice FK and I asked her if she would get on her knees and suck my cock, which she did to perfection. More OWO on the bed and she planted some lovely little kisses on my cock after I asked if she would do so. Some nice ball sucking, too. This soon turned into a lovely 69. after that, it was time to put the condom on and we had some nice slow sex in the missionary position. Belle seemed to enjoy this. After this she went on top and rode my cock. This was fantastic! Back to missionary position and then Belle asked me where I would like to cum. I would have loved to have cum in her mouth, which is a service she offers, but I could have carried on for a lot longer with her but time ran out, alas. Not in any way her fault I didn't cum. I still had another hour or so left in me with her, it was that good. I would recommend Belle 100% and would definitely see her again.

I am back at the House of Divine in Pimlico tomorrow (Saturday) for the London debut of Daisy. House of Divine needs to be applauded for the continued high standard of friendly gorgeous girls who provide such incredible service. And if you are reading this, Belle, thanks for a wonderful half an hour.
