### The Premises:

At a local country spa, felt a bit out of place waiting around

### The Lady:

Blonde late 20's slim, pretty face (but nothing like the profile) really positive on the phone - Does not match her photos, the first three are definitely not her (though I believe some of the later ones were)

### The Story:

Her profile lists amazing times to be had, sounds like a punters dream - but it's crap! Paid for hour and was told lets get you done! I don't want to be rude about someone's physical appearance and she is very pretty but absolutely nothing like her photos . Was expecting round 2 but basically shown the door, no DFK not RO nothing on offer and it was basically a rub, suck and finish worst punt in years.
