The Premises:

The place is a few minutes walk from Pimlico tube station and very discreet. The last time I shall have visited this place as it's sadly closing next week. Look forward to visiting to the new venue wherever it shall be. I had a nice shower before meeting Daisy and was offered a drink by my favourite House of Divine maid.

The Lady:

I have seen many of Daisy's videos online over the years and have been dying to meet her since I discovered that she was working and finally my dream came true. She is just as stunning in the flesh as I imagined and slightly taller too, though she was wearing high heels. Lovely soft dark long hair and equally lovely dark eyes. Daisy has gorgeous petite breasts and a shaved pussy with a piecing. She also has a few tattoos. Add all this to her friendly and bubbly personality and it is perfection for me.

The Story:

Daisy arrived in the room at exactly midday and gave me a kiss. As soon as the money was sorted, she got down on her knees and started to give me some OWO. It wasn't long before I was getting hard and I suggested that we moved onto the bed. She said she has her preference for giving blow jobs and asked me to sit on the edge of the bed and carried on sucking me. This was gorgeous. We did move on to the bed for some more OWO and this soon turned into a lovely 69. During all of this, Daisy was pinching my nipples quite hard with her perfectly manicured long pink nails. On with the condom and I got on top for some nice, slow sex. Daisy likes sex hard and fast and I soon sped up. Daisy asked if I liked her tight pussy and there was only one answer to that. It is indeed nice and tight. Daisy then got on top of me and rode my cock for a few minutes before we had a brief bit of doggy before I got on top again. Aware that time was running out, I pulled out and removed the condom and came all over her gorgeous breasts. The end to a perfect half an hour.

I would recommend Daisy 100%. She is a total professional and makes you feel welcome from the minute you meet her and she is great fun and a perfect GFE. I am so glad that she is working in London now and I look forward to seeing Daisy many times in the future. She is no doubt on her way to becoming a House of Divine legend. If you read this, Daisy, thanks for an amazing half an

hour and see you soon.
