The Premises:

HoD2 - easy to find, discreet. Greeted at the door by the lovely maid, Sylvia, who directed me to the preferred front bedroom - next to the bathroom.

The Lady:

Very much like her photos and description - slim, petit, attractive, natural, late twenties with great skin, no tattoos and a relaxed, open welcoming personality. Great legs and ass with small but lovely breasts.

The Story:

I had been wanting to see Nicola for some time but had to cancel a few months back due to a heavy cold. Since then, our schedules had not coincided. She was definitely worth the wait. We started with some prolonged and really excellent mutual oral, accentuated by how beautiful it sounded to hear her receiving. Nicola clearly loves to suck as much as she likes to be licked, front and back - both of which tasted great, as per previous reports. We could have continued like that for hours - and kept coming back to it between courses... We moved on to try a number of different positions and it felt great being inside her. We then finished with A Levels (for a small additional consideration) - which was simply incredible. Made even better by the feeling that it was obvious that Nicola really enjoys being pounded deeply from behind. Will I return? Of course, again and again, as soon as she is back from holidays! I am a long time aficionado of House of Divine. This was one of my better visits - beyond GFE...
