The Story:

The line-up was as advertised and comprised- well know vintage party girl Linzi, young shapely Brazillian Shaila and mature blonde Brazillian Alice. Plus there was a couple, the lady of which was a slim blonde called Drew, I think. Dressed to thrill in a 6 strap sussie belt with black stockings.

When I arrived Linzi was in the bathroom getting ready and I could see there was a guy waiting for her in the main party room. So I went into the room Alice was using and sat on the couch until the guy she was with was finished. Alice can really give DT and I was soon rock hard. Once covered up I enjoyed some deep stick mish with her stockinged legs up around my ears. I soon came.

Next back to the lounge where Linzi was entertaining a couple of guys on the couch. She invited me to join in and after some hand work she took me in her mouth for a lot of sucking which included bursts of DT. Another guy wanted to join in so he sat on the back of the sofa, Linzi took off her heels so I was at the right height and bent over to give him a BJ while I slipped in to give her good pounding which produced a result.

While sitting having a drink I heard the couple were playing so went in to find Drew sucking her partner with guys taking it in turns to lick her from behind. I liked the sight of the stockings and sussies so had a bit of a grope. I could see she was busy so I had a walk upstairs to find Shaila in a room on her own with an old party guy we had not seen for a while. When he was finished I reacquainted myself with Shaila who has been back in Brazil for a year or two. After plenty sucking she rode me hard cow girl style, including squatting cow girl. I was worried she was going to give me another hernia so we changed to doggy. I gave her good pounding but could not manage a spurt and as one the regular guys I know was waiting I gave up gracefully.

Back in the lounge I had a chat with the couple and hoped we could have some fun but they had to

go. However Drew let me have another feel of her stocking tops before they left.

While sitting relaxing in the lounge Linzi kept offering to blow me away. After holding back for a little while I lay back on the couch and let her get to work on me. Her technique was excellent. She made my toes curl and I finished off with a little spurt.

As the party was drawing to a close I took Alice back to her room. After prolonged DT I took her standing up bent over the bed and I surprised myself with another little spurt.

There was a good atmosphere and I think everyone enjoyed themselves.
