The Premises:

The Lady:

Attractive twenties, good figure, olive skinned from birmingham but no accent!

The Story:

Friendly and pleasant BUT did not offer the services advertised by the parlour.

Their advert offered GFK, rimming etc. As soon as we started, she made it very clear that she never did mouth kissing nor did she allow fingering inside her vagina let alone anus. She would never do prostate massage.

This was nothing to do with me as an individual punter - she was obviously embarrassed when I accidentally CIM - indeed she did not recognise my obvious imminent explosion.

Very slow to join me and then finished in 20 minutes.

If you are happy with straight sex then probably a good clean experience with great OWO. She has great labia.
