### The Premises:

Nice clean flat with plenty of parking nearby.

### The Lady:

Grace is in her 30s with big tits. Her curvy body type is what Turkish men find extremely attractive who call it balik etli as a compliment though she is slimmer than many ladies described as this.

### The Story:

This was my first visit to Annabellas. I wanted to try a English lady for a change from the eastern European and Chinese in the places I normally go. I heard through the grapevine that Annabellas have several working for them. My eyes nearly popped out of my head when Grace walked into the room. She is beautiful. Just my type. A slim version of what Turks call balik etli. She asked me how I was and soon we were chatting away. I found her very easy to chat to. Havadan sudan as we say in Turkish. Not like the other ladies I've seen elsewhere who have little or nothing to say for themselves. When she took off her bra, I could'nt help myself. It was as if there was a magnetic force pulling my face towards her tits. Her nipples are awesome and I could'nt stop myself sucking them.

While I was doing this, she pulled her knickers down so I could have a good feel of her pussy while she played with my cock. After a couple of minutes, she gently pushed me towards the bed and started sucking my cock without a condom and gave my balls a good licking. I was in paradise. It was good not having to ask for it to be done this way. Or told that it will cost extra. I twisted around so I could lick her pussy. This is something I know I am good at and I made Grace come 3 times. After the third, she asked me if I wanted a condom so we can fuck. I said yes and fucked her in several positions. It was obvious from the noises she was making while I was fucking her that she was really enjoying herself. Then she said she was about to come again and asked me to fuck her harder. I gave her a really hard pounding which made me come really strongly. She came at the same time. I wish all my punts could be as good as this one. In?allah.
