The Premises:

As always GFE is a clean, happy and well run establishment. Showers need a bit of TLC.

The Lady:

Natasha tells me she is from the Czech republic, she has a beautiful body, I would guess at size 8, she has lovely small breasts, her body is well covered in tastefully done tattoos.

Natasha is a good looking woman, especially when she smiles, but she does need to smile more.

The Story:

After I had showered, Natasha came into the room and we soon had her out of her lingerie, and I got straight into giving her oral, what a task, but somebody had to do it. It was delicious, it took some time but we got her to climax and then she was very juicy, and tasty. We then got into 69 then cowgirl and reverse cowgirl then moved on to doggy then missionary then into spoons, it was better when I got her talking a bit more, I always enjoy some banter with the girls. We then went through all the positions again. Natasha is a lovely companion to be intertwined with, a very pleasant experience. I just wish she would smile more. I will choose Natasha again if the opportunity arises. I had to leave Natasha then, as I had a booking with Talia and I needed to shower.
