The Lady:

WOW - what a body!

Serena has the body of a porn star, and it all looked natural to me. Slim, beautiful, large natural full boobs. Jaw dropping.

The Story:

Check out porn stars such as Breanne Benson or even Veronica Zemanova (one of my favourites) and I promise you Serena is somewhere in between those two.

She has the most wonderful boobs. When you hold them they are heavy but also soft in your hands. She has that small gap in between the top of her thighs and her pussy that only girls with beautiful bodies have.

My old man wasn't performing at his best but that didn't really matter to me. Just being able to see her naked and hold and suck her beautiful tits was enough. That's not to say that she didn't make an effort. She really worked hard with her blow job until I got to the point of no return when she urged me on by saying, "I want your spunk, show me your spunk."

Of course, I duly obliged. I will definitely be seeing her again.

Serena, if you are reading this I hope you enjoyed the bottle of wine! x
