The Premises:

very clean classy tolerant modern discreet entrance in town center very professionally run nice Receptionist who let me waffle on for a bit.

The Lady:

5ft 7 Latvian dark haired slim leggy busty all in proportion extremely fit and healthy late 20s mature wise head on young shoulders as per photos on website. Articulate intelligent and very sexy & naughty but not outrageously so (The Escape is not that type of place!)

The Story:

Last visited a year ago. Never met Ella until today last saw Katherine a year ago for the best massage I had ever had. however Ella was just as good got physical on the back and very very sensual on the front. Started off shower then Ella arrived in heels and lingerie. Well paced amazingly sensual with an explosive ending then a lovely head massage to finish. You definitely leave better than you go in! Not rushed paced an hour is just right.

Two hot tips here.

1 Go through the rules ie touching set your boundaries I have found this is always best and saves awkwardness that translated through the massage (Not that it has ever happened at The Escape in my personal experience).

2 Breathe it will prolong things.

What a lovely place. Don't settle for anything less than they offer no matter where you go.
