The Premises:

Centro in central Milton Keynes.

Tonnes of parking and very well equipped apartment.

3rd floor.

The room is extremely hot despite the fans. Could probably do with some thermal curtains or air con or something. But I am being picky. Lol

The Lady:

Grace is exactly what her description says and more. Very friendly and very well presented.

The Story:

Booked last minute as I normally do. Hoped to book with Grace and to my pleasure she was available.

Was greeted on time by the lovely Grace who offered me a cold drink and showed me into our room for the next 45 mins. Immediately I could tell I was going to enjoy my time with her. She's extremely friendly and puts you right at ease.

I was offered a massage which I gladly received although the lotion was shit Grace did very well, she has a soft touch but with the added bonus of the sharp nails which I always find a turn on. Once Grace had realised I reacted too the nails being used. She proceeded too explore each and every part of me with them. Paying particular attention to my man hood.

We then moved on to some foreplay. And I must say this girl gives a fucking amazing blowjob , once I'd reached a level I felt I NEEDED to stop I then asked her if she'd kindly sit on my face. Which she did. She tastes amazing. And it wasn't long before she was exploding in my mouth at this point I realised she had a very sensitive clitoris I did try too tease her but could see it wasn't enjoyable so stopped. Although Grace didn't stop me.

We then moved on to sex and I'm afraid this northern milf is tight as fuck genuinely wasn't expecting that. So wasn't long before I'd blown my load.

Had about 10 mins left of the punt. And we just lay chatting for the remainder. She genuinely is a lovey person and I could've stayed for a long time just chatting.

Grace. Look forward to seeing you again xx
