The Lady:

Jaimee was clearly the person in her profile photo. She is naturally beautiful. Very slim with an elegance and poise. Every part of her body was lovely to view.

The Story:

I'm not very experienced with visiting escorts and this is my first review. I found Jaimee to be a delightful and sexy companion for a very memorable hour. She began by asking me the sort of things I liked but also put me at ease with her friendly and warm demeanour. We kissed and caressed but things soon became very intimate. Jaimee was clear about her boundaries and very eager to please me and is clearly very skilled and sensual, using many parts of her beautiful body to thrill and delight. I absolutely understand the nature of the client escort relationship and Jaimee was both highly professional, responsible and clearly at ease with her role despite her tender age of 22; but there was something more. Jaimee seemed to be very genuine and warm hearted. After the most amazing sensual experience I asked if I could give her a massage (she chose the mango body lotion) and we talked and I really felt a strong connection with her. She is truly lovely and I hope to see her again. I was happy to give her a little extra as a tip - I think all escorts who work so hard to please us in this perilous profession deserve a little extra along with our respect and admiration for bringing so much joy to the random strangers they meet!
