### The Premises:

The usual place in blechley easy access and parking is free which is always good!

### The Lady:

Quite tall and a very nice figure. Her face is very pretty and she has small breasts which is actually very nice and I prefer it when they are natural.

### The Story:

I dicided I was going to check out the ladies at this very fine establishment so done a walk in. Was hoping to see gia, patsy and melody. 2 of the 3 were on offer in patsy and melody. And as soon as I saw melody I was taken back by how pretty she is and made my choice. Melody seems to be a little short on confidence with her skills but didn't need to be I was very happy to be spending my time with this woman!she has got a perfect figure and was very good at what she was doing but needed a little encouragement to keep going. Basically she started with a quick BJ and went in with the condom. started with melody on top which I like as I get to see the person in action before I go in! Changed to missionary with melody's legs on my shoulders which was amazing as I could see her perfect pussy taking me inside her! very nice indeed. Then went for doggy and finished with hand job. All in all was a very nice experience and I found melody to be a very nice person and would definitely go back to see her again if she sticks around for a while.
