The Premises:

Along a back alley that leads only the premises, linked directly to a free car park.

Room was spotless.

Maid welcoming, friendly and organised.

The Lady:

About 5' 5" tall, white Caucasian with a perfectly toned and tanned petite figure, and long dark brown hair.

Her photos have been professionally shot, but rest assured, they do not lie.

To me, stunningly attractive, and if perhaps not for boob men, she has a natural body, a few high quality tattoos adorning her.

Age around 25, but it rude to ask that of a lady...

The Story:

Daisy is a truly professional person, enthusiastic about her chosen trade.

Put at ease with engaging conversation, warm friendly welcome, which included a pleasant massage, I soon realised that this was a special experience.

Daisy took the time to explain her services and what she isn't comfortable with, again, putting me at ease.

Once she was as relaxed as I was, an enthusiastic session followed, Daisy reading me like a book, with articulate conversation when breath needed catching.

Daisy is a heady mix of girl next door charm, and pornstar enthusiasm. She makes a real effort to

understand what the client wants to experience.

Articulate, engaging, with disarming charm, and stunningly beautiful on top, I have no hesitation in making it clear that I shall return to her arms when finance and opportunity allows.
