The Premises:

Easy incall in Bayswater where I'd been before. Nice and safe and secure. Comfortable enough inside, spacious with everything I could have wanted.

The Lady:

Elvira is the girl on the website for sure. There has been a little enhancement to her images, but she's definitely the same girl. In her early twenties, speaks excellent English, very sweet and kind. Beautiful eyes and a wonderful smile. She was relaxed and confident and made me feel very relaxed.

The Story:

Elvira has a really womanly body. Some nice curves that don't really come out on her pictures as well as they could. She's all natural too and I like this. She was wearing matching black lacy bra and panties, which soon came off as the action began. She likes to kiss nice and gentle and didn't mind me playing with her pussy and she played with me.

However, as we came to the OWO, I discovered that she wasn't actually offering this. This was a disappointment, since it said so on the website, and it's also something I look for on all of my bookings. I was already aroused of course and I'd paid my money, so I wasn't going to leave! Besides, she was a very hot. Her OW is pretty good actually, so I couldn't complain too much, it would have been nicer to feel it for real though.

Moved onto cowgirl and had a nice play with her tits. She's quite responsive like this and I loved getting hold of her ass. It's just the right size, not too small, and not too big. Plenty to get hold of though. Switched to doggy where it was a little too much for her at times, then back to missionary where I eventually came to an end. Had a really nice long chat at the end of the session. She was telling me how she's been here for a while now and she pays her taxes and everything. A proper career girl! Well done Elvira.
