The Premises:

A sketchy flat on an awful street in central bristol.

The Lady:

Photos are accurate on her profile,can't really complain on her appearance.

The Story:

First of all she wasn't specific on her flat number so I stood outside like an idiot in the pissing down rain for 10 minutes.I was close to walking away when she texted me of her correct flat number.

I walked up and was met at the door by Sophia,looks accurate to her profile but was met straight away by a very cold,blunt,monotone one word answer personality which grated and left me very uncomfortable and surprised because she was pleasant and nice over text.

She had the nerve to describe herself as the 'girl next door' and use the words 'gfe',warm,chatty,well spoken etc....

There was no 'gfe',only 'how long u want','you can take off your clothes',30 minutes..£60...

Her raunchy gfe consisted of her lying motionless on the bed during missionary and oral which was like licking a salt lick!!!

I wanted her on top so I led on my back and was met with 'what u want me to do?'Hhmmm I wonder,maybe just use your imagination!!!

Basically felt cheated and was very unsatisfied,don't give this lady any of your money,and btw shes Romanian not latino!!!

What a joke...20 minutes I'll never get back.
