The Story:

Kristen is a beautiful young Romanian girl. Fantastic slim figure with great enhanced breasts which I could have played with for hours. Her website profile says 23 and this is correct and she told me it was her birthday earlier this week. I had seen the Annabella's Twitter pictures and having seen her at a different establishment some time ago I had to see her again. A nice kiss and hug on arrival and we both undressed before retiring to the bed. Kissing was plentiful and intimate and I really didn't know what to do first. I made my way down to play with those amazing enhanced tits before heading further down for some reverse oral. Kristen appeared to appreciate my efforts and I believe she may have climaxed. My turn next as Kristen recovered. A wonderful blow job followed before Kristen asked if I wanted to fuck. As if I was going to say no. Sex was wonderful as Kristen rode me cowgirl before other positions including missionary, spoons, more cowgirl before I could hold back no more and finished in doggy. Mutual clean up, cuddles, kisses and a chat before I let feeling entirely satisfied. It is a sign of a great meet when you really don't want to leave. Happy to recommend this beautiful, charming and very sexy young lady and I will definitely return.
