The Premises:

Great location, good parking, well maintained rooms, friendly, helpful maids. What more could you want?

The Lady:

Perfect 10 in my book. Tall blonde, busty - 34 DD, great legs and bum, such a pretty face and such a warm smile and just the prettiest young lady. Showing my advancing years here, but reminded me of a young Susan George.

The Story:

Jennifer entered the room wearing a tiny bra and thong and a huge smile, always a good start in my book. Introductions and finances sorted and started kissing and touching and undid her front fastening bra to free those 34 DD's and to fondle them and suck on her nipples. Moved over to the bed for more kissing and fondling before going down on her, nice landing strip to guide me in! Tasted sweet and got wet and then my turn, great hand and mouth action before putting the condom on for sex in missionary with Jennifer's legs spread wide, reverse cowgirl, with a great view as Jennifer slid up and down my pole before finishing in doggie with me thrusting away to vocal encouragement from Jennifer. Great 30 mins with a fab young lady.
