The Premises:

Nice quiet block on edge of car park. plain outside but nice inside. With a good on suite shower.

The Lady:

Pretty but not slim South African. Heavier than her photos. Nice boobs.

The Story:

Friendly greeting when I arrived. Very pleasant body to body massage. Just loved the feel of those boobs running over me. Rosie didn't mind my touching including between her legs. While the massage went on we got chatting about African politics and safaris. After 40? minutes on my front it was over onto my back. More general massage which fairly quickly became more interesting with boobs and hands working on my dick. Finished just inside the 60 minutes with just enough time for a shower. This lady knows what she is doing and my climax was excellent.
