The Premises:

A two minute walk from Guildford train station and it's car park. The flat is very clean and I had a shower when I arrived.

The Lady:

I have reviewed Joanne before from when I saw her at House of Divine where she sometimes works under the name Michelle (see Review 128031) and enjoyed her so much that I had to come down to Guildford to see her again. Still the same bubbly gorgeous dark haired girl with the lovely smooth skin I described before!

The Story:

Having showered and handed over the money, it was onto the bed and Joanne began biting my nipples softly while playing with my cock. She asked if I wanted my cock sucked and started with some ball licking first. Then onto her speciality, her incredible deep throat! After a few minutes of sublime OWO with some nice nipple pinching, I suggested 69 and she was happy to oblige. She has a lovely nicely trimmed pussy and it tasted fantastic. As always with a beautiful girl's pussy in my mouth and my cock in hers, I could have stayed there the whole session but I really couldn't wait to have sex with her. Missionary position for some nice slow sex first before Joanne rode me cowgirl style, which was superb. Back on top again for me and Joanne said she wanted me to cum inside her, so how could I refuse? The sex got harder and faster till I eventually came in her nice tight pussy. Then onto something that I had only tried once before and that was with Kim from House of Divine a few years ago (see Review 123330) and that was receiving water sports. Joanne stood over me and pissed on my chest with some splashing on my face. I have to say this was a real turn on. Joanne also told me about some of her costumes she has and I am already making plans for my next visit with her! After another shower, not a golden one, I got dressed, kissed Joanne goodbye and headed to Guildford train station in the glorious sunshine with a massive smile on my face.

Joanne knows exactly how to treat a client and the 45 minutes with her was as perfect as I could ever wish for. Can't wait to see her again.
