New location in Victoria just above the existing venue. About 5-10 mins walk from Victoria Station.
A moment of silence please for the old Pimlico location.

The Lady:

Unblurred photos on the website should give you the idea... but she's even lovelier in the flesh.
Yum.

The Story:

Can I just say "Holy shit, that was amazing" and leave it at that?

No? You want more? Ok, if I must. I'm not going to get graphic though...

Daisy really loves her job. Her enthusiasm and attitude were faultless. She made me relaxed straight away and rock hard within seconds. It normally takes a good few minutes for my engine to get going so I was pretty damn impressed, let me tell you. She really looked after me well.
