The Story:

Return trip to Sasha, I had seen her last year I decided to go back for a second visit after seeing on the MN website that she had two new additions, I was intrigued. Booked ahead, arrived in the room, straight in the shower, paperwork left on the side. Sasha entered the room with her lovely new enhanced bust, greeted me and then dispensed a light massage, ending in a bit of lovely bum play on me interjected with lovely DKF. She then gave me some very lively OWO. I then asked if I could fuck her in the missionary position and she was very happy with this. Covered up and entered her, I got very deep into her standing at the edge of the bed with my dick in her, I have a slightly larger than average dick but she was able to take it with enthusiasm and I did check I wasn't hurting her. I checked OWO to CIM was on the menu and was pleased she said it was, she delivered a lovely BJ and it was not long before I spaffed in her sweet mouth. We then did some mutual wanking, she has a little vibrator and I enjoyed watching her whilst kissing, cuddling and sucking on those well enhanced boobs, then it was not long before she climaxed. Nice chat and a clean up and I was on my way. Sasha has a lovely way about her and is very easy to talk to. Thank you for a great punt, I'll be back.
