The Premises:

Regular flat for Asian girls less than 5 minutes from Bayswater Station. The other rooms are nice but Monika was only there temporarily and was in a smaller room than normal. The hot water had run out although the appointment was only early evening. Monika will be returning to her normal place soon which has working hot water and is nicer.

The Lady:

Monika is a early to mid 20s cute and petite Thai girl. She has a lovely smile and is very sexy. The video is the most representative of her look. She has small but beautiful breasts and is not shaved down below.

The Story:

We had intended to have a shared shower given I had come from a day of work and so needed to freshen up. As the hot water wasn't working we could not do this weekend high was about disappointing and not preferred. I expect this is only a temporary issue and Monika will be returning to her normal place soon.

Monika was however lovely considering this and has a very cute manner about her. After cleaning key areas with wet wipes I enjoyed dfk, fingering vaginal and anal, deep owo, rimming on her and then anal sex. Monika is very cute when aroused and it was very enjoyable.

Monika then provided an ok massage before the 2nd round.

The 2nd round started with a passionate kissing, fondling and fingering as I brought Monika to orgasm before cowgirl sex which brought me to orgasm.

I look forward to seeing her again in place.
